

# Good Riddance (Time of Your Life)

Green Day (/browse/Green\_Day)

G                                  C                                  D  
Another turning point a fork stuck in the road  
G                                  C                                  D  
Time grabs you by the wrist directs you where to go

Em                          D                          C                          G  
*So make the best of this test and don't ask why*  
Em                  D                          C                          G  
*It's not a question but a lesson learned in time*

Em                          G  
**It's something unpredictable**  
Em                          G  
**But in the end it's right.**  
Em                          D                          G  
**I hope you had the time of your life**

So take the photographs and still frames in your mind  
Hang it on a shelf in good health and good time.

*Tattoos and memories and dead skin on trial*  
*For what it's worth it was worth all the while*

**It's something unpredictable**  
**But in the end it's right.**  
**I hope you had the time of your life**
