Green Day (/browse/Green_Day)

Say! Hey!

Em C G D

Hear the sound of the falling rain

Em C G B

Coming down like an Armageddon

Em C G D B B

Flame, the shame, the ones who died without a name

Hear the dogs howling out of key,

To a hymn called "Faith and Misery"

And bleed, the company lost the war today

Em C

I beg to dream and differ

G D

From the hollow lies

Em C

This is the dawning of

G B

The rest of our lives

On Holiday

Hear the drum pounding out of time,

Another protester has crossed the line,

To find the money's on the other side,

Can I get another Amen?

There's a flag wrapped around the score of men,

A gag, a plastic bag on a monument

(Chorus)

The representative from California has the floor

"Zieg Heil to the president gas, man

Bombs away is your punishment

Pulverize the Eiffel towers

Who criticize your government

Bang, Bang goes the broken glass, man

Kill all the fags that don't agree

Trials by fire setting fire

Is not a way that's meant for me"

B

Just cause, just cause because we're outlaws, yeah

(Chorus)
